Short-Term Residential Rentals

Dear Ms. Platt:

Thank you for bringing the issue of short-term residential rentals to the County's attention. We are continuing to evaluate and research options for how short-term residential rentals will be addressed by the County and will get back to you as soon as possible. Until a permanent solution is found, the County will suspend code enforcement of short-term rentals. Investigation of nuisance-related matters (noise, excessive traffic, special events, etc...) will continue when reported.

In response to your Public Records Act request of September 12, 2013, we have enclosed the documents responsive to your request. Should you have any additional questions, please contact Carl Stiehl, at (858) 694-2216 or [at carl.stiehl.sdcounty.ca.gov](mailto:carl.stiehl.sdcounty.ca.gov).

Sincerely,

CLAY WESTLING, Deputy Director
Planning and Development Services
